

COVID GUIDANCE - SHOWING ENTRY

All entries are to be made in advance and pre-paid online. Social distancing measures must be observed throughout the event.

To reduce the risk from cash handling, there will be no opportunity to enter additional classes on the day.

Please bring your own hand sanitiser to use regularly during your visit to the centre.

To reduce the number of people onsite, general public spectating is not permitted for this event. A groom/handler, transport driver/parent/carer are permitted to support competitors.

On arrival please make your way to the parking area at the top of the arena, please park considerately for other vehicles. Parking on the showground is available for large lorries.

Competitors must declare entry and notify the show secretary of arrival.

Cars are not permitted and must park at the entrance outside the showground, subject to availability as space is limited.

Competitors will be permitted to enter the warm-up arena. A maximum of 4 will be allowed, no other member of the public will be permitted to enter the warm up arena.

Competitors should ensure they make their way to the outdoor arena for the start of the class and enter the arena to the left.

Placings will be awarded within the arena and competitors must leave the arena to the left and head back to their lorry where they can cool off.

Refreshments will be available on the day offering take away food and drink. Toilets will be available for use; please ensure you wash your hands when entering and exiting the facilities. If are you collecting refreshments or accessing toilet facilities, you must ensure you comply with social distancing measures.

Thank you for your co-operation and we look forward to welcoming you and hope you enjoy your day with us.
